PRIVACY ACT NOTICE

The Social Security Administration is authorized to collect the information on your application form under Section 806 of Section 251 of P.L. 106-169. Your response to this request is voluntary; however, as explained below, no benefits may be paid unless an application has been received by a Social Security office. Your response is mandatory where the refusal to disclose certain information affecting your right to payment would reflect a fraudulent intent to secure payments not authorized by the Social Security Act.

The information on your application is needed to enable Social Security to determine if you are eligible for Special Veterans Benefits. Failure to provide all or part of the information could prevent an accurate and timely decision on your claim, and could result in the loss of some payments. Although the information you furnish on the application is rarely used for any other purpose than stated in the foregoing, there is a possibility that information may be disclosed to another person or to another governmental agency as follows: (1) to enable a third party or an agency to assist Social Security in establishing rights to Special Veterans Benefits and (2) to comply with Federal laws requiring the release of information from Social Security records (e.g., to the Department of Veterans Affairs).

Computer Matching: We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security Offices. If you want to learn more about this, contact any Social Security Office.

PAPERWORK REDUCTION ACT STATEMENT

The Paperwork Reduction Act of 1995 requires us to notify you that this information collection is in accordance with the clearance requirements of section 3507 of the Paperwork Reduction Act of 1995. We may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a valid OMB control number. We estimate that it will take you about 20 minutes to complete this form. This includes the time it will take to read the instructions, gather the necessary facts and fill out the form.
